

JULY 19TH, 2021

OUR COVID POLICIES

KEEPING YOU SAFE

The safety of our guests and teams remains of paramount importance to us. As a Company, we operate in a Covid-secure way, and will continue to do so as we welcome **'Freedom Day'**.

As the UK Government guidance regarding Covid-19 restrictions are being updated and some restrictions being removed altogether, we are revising our operating procedures as follows;

All of our Surya team will continue to wear masks or face coverings in public areas.

Parties can be over 6, and more than 2 households, inside and out

We encourage social distancing amongst team, to maintain safe working environment where possible and minimise exposure/ cross contamination.

Our teams are continuing to isolate and notify us if they are required to isolate if pinged or in a household with positive cases or contacted by Track & Trace.

Guests can place orders and drink at the bar.

Weddings and larger gatherings are back on! Well ventilated of course.

Guests continue to be able to place orders on our App, especially handy for guests who potentially feel vulnerable.

We will only service rooms on depart, or if specifically requested, to limit contact.

We will continue to seat guests spaced within our restaurants where possible as much as possible.
