

# ALLERGENS, INTOLERANCES AND DIETARY REQUIREMENTS

IF YOU, OR SOMEONE YOU ARE ORDERING FOR,  
HAS A FOOD ALLERGY OR INTOLERANCE,  
PLEASE LET US KNOW.

Your safety is our greatest concern and because allergies can be life threatening we ask you to think carefully about the risks before you order.

We are proud of the service we provide to guests with allergies and intolerances. We work very hard with our suppliers and our teams on processes and checks around allergens. However, you should be aware that we have hundreds of ingredients in our kitchens and it is possible that a mistake could be made in taking or preparing your order.

**For this reason we cannot 100% guarantee that any dish is allergen free.**

Our Allergen Guide is available on request and our menus show known allergens. Your server will be happy to share this with you should you wish to view it. It shows which of the 14 legally declarable allergens are contained in every dish but it does not list each of the ingredients.

**We recommend you check the Allergen Guide yourself every time.**
